

The Platinum Plus 24'

The Mr. John Platinum Plus 24' offers an escape from all things ordinary and creates an atmosphere of lavish indulgence for your special event.

The roomy interiors feature double pane skylights, soft indirect lighting with wood valances, private rooms with rich marbled walls, warm woodwork and polished brass fixtures. Fine detailing such as marbled porcelain, artwork and rolled oak flooring provide a final compliment to this tribute to form and function and sets a new standard in upscale temporary facilities.

The Mr. John Platinum Plus arrives on your site fully stocked. Also available for added convenience is our valet service to ensure worry-free operation.
